

	House rules	170731 Side 1 (1)
---	--------------------	-------------------------

House rules

- The pool can be used from 09-20.
- Buckles are to be used to keep parasols together.
- The electric windowshutters are to be kept closed when you are not in the apartment.
- Shut down the Air Condition (AC) when you plan longer absence. The AC can be started when returning to the apartment and quickly cools down the apartment.
- No loud music on the terraces.
