

	<b>Safety box</b>	170731
		Side 1 (1)

## **Safety box**

- The Safety box is found in the wardrobe in the middle bedroom on the second floor.
- Enter a personal code according to the attached instruction behind or found on top of the Safety box.
- To open the box enter your personal code and then press B.
- Leave the Safety box open on departure. This is very important  
- otherwise it is impossible for the next tenant to enter their personal code.
